MEMORANDUM FOR:

SUBJECT:

SA/PC/DCI Budget

25X1A

1. [REDACTED] told me today he was involved in preparing the fiscal 1957 budget and that O/SA/PC/DCI would be a separate line entry in the Office of the Director budget. He is interested in discussing the planned TO (personnel services expenses) travel and special equipment items if any.

2. I told Tom that I had no idea how this would be handled for [REDACTED] staff, i. e. the provision of the above items and any narrative statements on [REDACTED] offices major accomplishments during the past years and planned objectives, etc. I advised Tom that I would discuss the matter with you and he would hear from this office on a next step.
